Chapter 1: Introduction

About the College

Srimad Andavan Arts and Science College at Thiruvanaikovil, Tiruchirappalli was founded by His Holiness Srimad Andavan Swamigal in the year 1996. It is currently owned and managed by Sri Ranganatha Paduka Vidyalaya Trust (Regd.). The college, which is situated in sylvan surroundings, has well qualified teachers and excellent infrastructure with modern digital library for the benefit of the students, research scholars and faculty members. It is a Self-Financing Co-educational Institution, imparting higher education and exalted to the status of autonomy in the year 2014 and it has been re-accredited with "A+" grade by NAAC in 2023. It offers 16 UG, 14 PG, 12 Ph.D., programmes. In addition to the above, 32 skill development certificate programmes are also offered. The institution also offers UGC –NSQF funded Diploma course in Landscape Gardening and Management and certificate course in Fruits and Vegetable Preparation technology. It offers value - based education for both rural and urban students irrespective of caste and community. The College also extends fee concession to meritorious students and offers free bus service to all students.

The College has been given freedom to frame its own courses of studies and adopt innovative methods of teaching and evaluation. In keeping with its tradition of promoting innovation and growth, the college has introduced the Choice Based Credit System (CBCS) since 2005. The core objectives of CBCS are:

- To enhance the curriculum to meet the current needs of employers and to facilitate job opportunities.
- To develop Entrepreneurial skills that is required for students.
- To enable the students to have their own choice of courses at the basic / advanced level, according to their needs, aspirations and learning capacity.
- To provide opportunities to the students to earn extra credits within the stipulated time.
- To provide online examinations to the students and enable them to face the online interviews.
